

TURKER

1 HOUR LIVE PERFORMANCE

After After Anadolu / Turker Live @Akçakese

A performance of own songs, remixes, and edits.

Turker is an Istanbul-based Producer, Liveact. Embellishing synth, bass and arpeggios with ethnic tones and modern rhythm forms his unique style. In 2015, he earned his degree in sound engineering from Galatasaray ITM (Communication Technology Music Academy). In 2017, he started to work as a trainer, arranger and producer in Master House studio.

In 2018, he launched his current production, the "Turker" project. He performed in many Turkish venues in cities including Istanbul, Izmir, Ankara and Bursa. In a collaboration with Soulrevue & Artenotte in Istanbul, he hosted events in night clubs such as Mentha, Anton Peran, W Istanbul.

In 2019, he signed a contract with various important record companies (Artvibes, Leveldva, Zehn Records), and released his single 'Garden of Souls' on February 25. After a long preparation phase to culminate his live performances, Turker went onto his **first music tour** in Turkey around this time. He shared the same stage with numerous artists (Oceanvs Orientalis, Teenage Mutants, Dizharmonia, Monality, Paji, Islandman and more) in Just Break festival, Cyro festival and Pixel Ankara, Riff Ankara. During this time his live performances started to draw attention, and he used this momentum to release his first EP called 'Poljem Se Vija' on June 20.

His best live performance is considered to be his collaboration with Satori in a 2019 event 'Burn Energy Drink Presents : SATORI (Live) Rooftop.' In this live performance consisting entirely of his original songs, remixes and editions, he combined synthesizers, drumpads, launchpads and modern rhythms with a multitude of ethnic instruments to offer a whole new experience.

At the end of Summer 2019, he released new singles from **Leveldva Records** and **Artvibes records**. On the day of the release of the new single, "Elements", published by Art Vibes, was able to enter Beatport's the Electronica / Downtempo **Top100 Charts**. Turker has already started to work on in his new album for the upcoming year and continues to perform in the organizations with his constantly changing and improving his live performance.
